CLEAN FLOOR POLICY

INSTALLATION TARGET DATES

Exhibitors will receive their targeted installation dates from the Official General Contractor, GES. Every attempt will be made to ensure that their materials will be delivered to their stand on the day they are scheduled to arrive. Any exhibitor wishing to change their scheduled installation date must submit their request in writing to the Show's Official General Contractor's Freight Department.

Failure to adhere to your assigned target date will result in the addition of overtime costs. The following are the only target date exceptions:

1. Exhibitors who choose to ship their freight to the GES warehouse prior to their target date. GES will assume responsibility for compliance with the target date schedule.
2. Exhibitors who receive in writing from GES special permission to alter their assigned target date.
